COBRA CHROME

12395

Tire designed with custom aesthetic features:

- Snake skin appearance and embossed Cobra head logo.
- Extreme custom sizes with rear tyres up to 23 inch and widths of up to 330mm.

Excellent wet braking and stability:

- Optimized pattern and footprint.
- Enhanced compounds and new construction.

High stability in all conditions delivering precise feel and tire feedback:

- Latest Tech pattern design.
- Advanced construction design.

Improved tire life over its predecessor:

- Highly Durable compound delivering 10% better wear.
- Latest Tech pattern design.

Road Hazard Warranty - Covers first 2/32nds of wear (roughly couple thousand miles).
